DEAR PARENTS

We know summer holidays are the time of the year when you get an opportunity to spend time with your child. To keep the little ones indoor in the sweltering heat and to use their time creatively, we have attempted to design meaningful creative activities.

We wish you have an enjoyable summer vacation with your kids. Here are few tips which will engage your kids in holidays.

Suggested Books

Books are a man's best friend. Buy different picture books, colouring books and story books for your child.

Let the child do picture reading, colour the sheets in colouring book and recall the characters and incidents of the story.
