SUBJECT - ART

STRING ART

These fun art project ideas for kids help them learn mathematical concepts like geometry and fractions. Learning math in a fun way is always welcomed by kids!

MATERIAL REQUIRED: A square wood craft frame, finishing nails, hammer, pencil, ruler, and 2-3 colored yarn or strings.

Instructions: On the frame, measure and draw a square exactly halfway between the frame edges and opening. Create equally spaced marked points using a pencil in the square fence and hammer the nail at each marked dot. Parents should perform the hammering part under their surveillance. Now, it's time for kids to cut out colorful strings and make shapes by tying the string/yarn around the nails.
