Love and Care for Animals

Animals have a significant role in the world. different ecosystems have a wide variety of animal species. However, one's treatment of animals may have an impact on the splendour and size of the world's fauna. Ideally, people should take care for and love animals. There are far too many animals in the world who endure miserable conditions because no one loves and cares for them.

SUBJECT -ART

MELTED CRAYON-STAINED GLASS ART

MATERIAL REQUIRED: A box of crayons, sketch pens, wax paper, and an iron.

Instructions: Collect some old crayons and grate them to produce crayon shavings. Take a piece of wax paper, fold it into two parts to create a crease, and unfold. Use the crayon shavings to fill the desired shape on the wax paper. Sandwich the crayon shavings between the two folds.

Now, place a newspaper on the surface of the iron stand and also above the wax paper. Slowly run the iron over the paper. The newspapers will soak the oils from the crayon shavings, and Tada! Your art is ready! You can add more colorful dimensions by using sketch pens.

LACQUER WORK

- Create a Lacquer work design on small glass bottle.
